HOW WE WORK WITH CLIENTS

HR Support Response Times

We pride ourselves on responding to client's needs as quickly as possible. We are available on the phone or via email Monday – Friday 9am – 6pm and check our messages regularly throughout the day. If your regular HR Consultant is not available however then another Consultant at Ditton HR can step in to respond to any urgent issues.

Our Approach to Working with Clients

We are available when you need us and provide a flexible and quick responding service. We build relationships with our clients over time and really get to know the organisation and its aspirations which helps us embed ourselves fully with the client.

You can see from our references on our website how we make a difference and hit the ground running to ensure maximum impact in the minimum amount of time. We have huge amounts of experience from a variety of sectors and organisations giving us a fantastic overview of how other organisations approach HR issues and what works well.

We are passionate about our clients aims and values and ensure that we are always thinking about how we can support our clients to reach their desired outcomes. We don't just focus on the HR aspects of your organisation, we want to understand the strategic aims, values and objectives in order for us to provide the very best advice and support.

dittonhr.co.uk HOW YOU PAY FOR OUR SERVICES

Our aim is to provide organisations with quality, affordable HR services. We therefore offer a range of payment options to suit every organisation's size and budget. Charity discounts offered.

Pay as you go

This allows you to access HR support when you need it, but you only pay for what you use. Pay as you go is more suited to smaller organisations where funding is tight and where it is difficult to know how much HR support will be needed. You will be provided with a breakdown timelog with each invoice.

Pay for a project

This option might suit you if you have a specific project you require us to conduct, you know how much work will be involved in advance and you want to know the cost upfront e.g.: designing, running and reporting on an employee survey, conducting an HR audit or designing and running a training workshop. A quote would be provided for this work in advance once the work required had been fully scoped out.

Retained Service

If you need regular on-going support and would like to engage us as your outsourced HR provider, then our retained service may be most suitable as it helps both you and us plan and budget. We will discuss your needs and agree a monthly retainer with you in advance, so you know what you will pay each month. This will be at a lower rate than the pay as you go fee. Any additional hours over and above the number of hours agreed in the retainer will be charged at your normal pay as you go rate. Please be aware that any unused hours at the end of the month will be lost and cannot be carried forward to the next month and you will need to sign up to a 12 month retainer.

If you sign up to our retainer you will also receive the following additional benefits:

- 25% off the cots of a wide selection of recruitment advertising
- 25% off the cost of a selection of psychometric tests to use in recruitment or development
- Free core Breathe HR subscription for up to 50 employees
- A free recruitment audit
- A free strategic HR review twice a year
